Progressive Training

NAVAJO RELATIONS

Training Fee: \$125.00 (plus tax) per person
One Day Training Session

Course Objectives

Kinship establishes the foundation of self-respect and the respect of others. Interactively, the audience will identify relations by creating their own color clan quadrants to build proper relations. Additionally, knowing where they come from is a significant part of them. As the training progresses, age becomes an important part of respectfully establishing relations. Another aspect is the individual historical stories each person carries that will help establish networking contacts.
